The Honorable John N. McMahon
Deputy Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Mr. McMahon:

Thank you for being the speaker for the Order of the White Jacket at the College of William and Mary. Unfortunately, I missed meeting you at the dinner. I am a past president of OWJ and have been a strong supporter since we started it over ten years ago.

STAT

I was very pleased that you answered my constant question about getting the Congress off the agency's back. It has always been difficult for me to understand how these elected officials, with limited experience, so frequently pass laws having a negative effect on both government and industry.

Again, my thanks for taking the time for a most interesting talk. I look forward to meeting you and, if you are in the San Diego area, we would be pleased to have you visit our facilities.

Sincerely,

Walter J. Zable
